Internal Quality Assurance Cell (IQAC) of K.M. College has the mandate to design and collect feedback from its stakeholders to monitor and evaluate its quality on curriculum and curriculum-related issues. The feedback forms were collected from teachers on several aspects of the curriculum and its learning-related issues in terms of quality, competence, skills and professionalism. The sample size of teachers' feedback was 80 teachers from different departments collected with the help of Google form. The responses are scored over a five-point scale (Excellent, Very Good, Good, Satisfactory, Not Satisfactory) which reflected the viewpoints of faculty members from the different departments. IQAC taken the suggestions and discuss with authorities and accordingly authorities given the instructions to the departments for better quality improvement in the curriculum design and teaching learning process.

Analysis and Interpretation of Salient Findings

1. It has been observed that 85.8 per cent of faculty members agreed with the statement that curriculum and syllabus are need-based, whereas five per cent were neutral to the statement.
2. It has been noticed that a maximum of teachers (almost 95 %) agreed with the statement that the course outcome of their subject is well-defined.
3. Thus it is concluded that **K.M. COLLEGE** has well-defined course outcomes and students are developing problem-solving skills. The teachers

said that clear vision and mission statements can result in valuable course outcomes.

4. It was found that 90 percent of teachers agreed that at K.M. College a sufficient number of reading material and digital resources are available.
5. 93% of faculty has expressed satisfaction at their involvement in revision of course curriculum and syllabus, providing them avenues to express their viewpoints.

Suggestions

1. Suggestions to include employment needs /societal needs / industrial needs / application-based aspects in the syllabus.
2. Suggestions for Smart classrooms, teaching tools/ laboratory equipment availability/reading material available for the teaching-learning process.
3. As per today's requirement, the changes in the syllabus will be done by considering the NEP-2020 guidelines
4. Research facility should be provided and encourage to undertake extension activities & to establish linkage with industry.

Action taken

1. Formal instructions will be circulated and meetings will held with all heads of departments by competent authority for addressing the issues suggested by the teachers through feedback in next session.
2. The Placement cell of the college has further enhanced efforts in placement of students/career counseling programs were organized by them. They enabled the students to be able to get a job, they organized employment *mela* at the center level
3. College will demand for research facility infrastructure for higher education department.
4. Authorities instructed the library to update the requirements of departments and students so that sufficient reading material can be available in digital form.
5. The college has taken action to follow the NEP Guidelines by including value added courses, skill development courses in the programs and determined to further improvement for next session.
