Memo. No - 4069

Dated - 11/05/2024

Subject: Clarification on Field Trip report.

I am writing to address a discrepancy regarding the subject of field Trip Report under the category of Practical in curriculum. However, online roll number of student are currently being associated with the theory paper. It is clarify that the Field trip Report is indeed a practical paper as outlined in the BTTM 1st year. The correct division of marks for this paper is of 15 marks for internal assessment and 35 marks for practical. Kindly resolve this issue promptly and enable us to upload the practical marks for this paper accordingly.

Subject: Request for Permission for Field Trip

Respected Madam,

As per the curriculum of B.T.T.M., the Field Trip Report subject emphasizes practical exposure to destinations within India. For this purpose, students are required to visit destinations and subsequently submit a report based on their practical experiences to the university.

For the upcoming field trip scheduled from 8th March onwards, the selected destinations are Rishikesh and Mussoorie. Considering that female students are also participating in this trip, I kindly request permission to include a female staff member to accompany the students.

Furthermore, I would like to request permission for the tourism students of MDC to participate in this field trip. Their inclusion will provide them with valuable exposure to the subject matter.

Thank you for considering this request.

Yours, sincerely

Amarjit Singh
